Re: Saad Site, Nashville, Tennessee

Dear Ms. McCarty:

This is to acknowledge receipt of your letter dated December 18, 1989, concerning the above referenced site.

Due to the short response time requested by the EPA, we have not as of this time completed our investigation as to SKF's involvement in this site. However, in the interim we will participate in the PRP committee in an effort to respond to the EPA's request for action.

Any future correspondence should be sent to my attention at the address listed below.

Sincerely,
